Dear Parent / Carer,

Reading at Home

We are aware, that until now, children have not brought books home to read, other than those they changed at our school library (for children in Year 1 and Year 2, this took place in classrooms). We are now in a position to send books home for adults and children to enjoy together.

We would hope that you are able to encourage your child to read with you five times each week, and write down the information that the class teacher needs in order to change the book. For children in Key Stage 1 (Year 1 and Year 2) a reading record book will accompany the reading book, with space to write the title, page number and any other comment you feel is necessary to share. For children in Key Stage 2, each child's planner has a space for home reading, for each day of the school week.

We hope that you will support us in reading with your child at home. In school, the reading book will be changed on the day your child returns it along with the reading record book / planner.

Kind regards,

Mrs Milfull
(Reading Lead)
