

## PE and Sport Premium Report 2016 – 2017

<b>Total sports premium 2016 - 2017</b>	<b>£8860</b>
---	--------------

This year the sports funding will be used in a variety of ways to further improve and develop teaching and learning across the whole academy. We will encourage pupils to continue to lead healthy lifestyles, enjoy PE and sport and experience high quality teaching. Children will be encouraged to take part in competition and aim for sporting excellence through close links with other schools both within the Delta Academies Trust and the local community.

Over the past 3 years we have used sports funding to purchase a sports partnership package with De Lacy Academy who have provided The Vale Primary Academy with PE specialists to work alongside our teachers to develop their skills and knowledge and to enhance the quality of the teaching of physical education.

Through monitoring and evaluation the academy recognises the positive impact on the quality of the teaching of PE and the need to use our funding in 2016/2017 in different ways.

Having already seen impact of the funding from the previous 3 years we hope for this additional funding to have continued and sustained impact on provision of PE and sport within our academy. Learning walks, lesson observations and monitoring by SLT and the PE leader, have identified the following areas to address in PE this year: high quality resources to support the demands of PE, developing teachers skills and knowledge to deliver consistently good or better lessons which ensure progression and increased awareness of healthy lifestyles.

Pupils will also have many opportunities to participate in competitive events in various locations.

Objective	What are we going to do?	How are we going to do it?
Raise the standard of teaching and learning in PE.	To improve the PE curriculum and the quality of teaching and learning.	There will be a whole school focus on developing and raising the standard of teaching and learning. CPD, coaching and mentoring of all teachers by utilising the skills of the PE specialists from De Lacy Academy.
Equip teachers with planning and subject knowledge to ensure progression.	To implement new long term planning and recourses.	New long term plans and assessment procures are in place to ensure progression throughout year groups.  Schemes of work to be discussed and purchased as required.
Increase participation levels in extracurricular sport.	To extend the opportunities for competitive and non-competitive sport with other local schools and academies.	Maintain current competitive activities.  Events to be organised by PE lead with PE specialists from De Lacy Academy. PE lead to liaise with other schools and local clubs for sports.  A variety of staff members to provide lunchtime and after school sports clubs to encourage children to take part in physical activities.
Increase physical activity during playtimes	Use pupil voice to find out how to engage children in more physical activity.	Purchase new equipment based on results of pupil voice and discussions with SLT.
Resourcing curriculum and extra-curricular activities.	Purchase equipment to fulfill the needs of delivering the curriculum to a high standard.	Use sports funding to purchase quality equipment recommended by sports specialists.
