

## Behaviour

Children who demonstrate an acceptable standard are awarded points. To be awarded a point the children would have to be in the right place, at the right time and doing the right thing.

This week **204** children have been GREEN all week. WELL DONE!

Big Bears	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
30/30	29/29	30/30	29/29	28/28	30/30	28/28

**Cruelty to children must stop. FULL STOP.**

Thank you for all your donations to the NSPCC we have raised £249.42 through our Wear Green Day and Coffee Morning!

**Foundation Stage:** This week in Foundation Stage, we have enjoyed talking about things we are good at and what our friends are good at. In our Maths work we have been practising our adding and subtracting skills.

**Year 1:** In Year 1, our memories have been amazing this week. Now we have learnt the story of 'How to Catch a Star' we changed parts of the story to make our very own story with new characters and objects. In Challenge X, the children have been busy making decorations for their stalls including key information such as the price and the wonderful prizes you can win on the hook-a-duck stall.

**Year 3:** Have been trying incredibly hard in our assessments. In challenge X we have been working out how much it will cost to set our stalls up and how much we need to charge to make a profit.

**Year 2:** We have had a lovely week in Year 2. In challenge X one group made pizza and luckily we all got to taste them and vote for the best. They were delicious. Our race track is starting to take shape with the help of some artistically decorated boxes. We can't wait for everyone to enjoy the festival we have created.

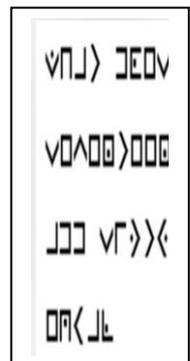

**Year 4:** Another busy week in year 4 preparing for our summer festival. The children are working very hard ensuring everything is taken care of and accounted for. We are thoroughly enjoying Harry Potter; everyone is eager to read more and find out what awaits Harry. The work we have produced has been amazing this week.

**Year 5:** It is our assessment week this week and I am amazed with the children's effort. They have worked extremely hard and shown a very mature attitudes. Within reading, the children have been focusing on retrieving information to answer questions, with an emphasis on evidence from the text. Within their writing, they have now produced a detailed setting description.

**Year 6:** It's the final few weeks for Year 6 and they are almost ready for secondary school. This week we have been preparing for our leavers assembly and continuing our hard work with Challenge X. In maths, we have been engaging our brains with challenging code problems. We have shown resilience and have enjoyed rising to the challenge. Please can I remind you that Year 6 need their PE kits in everyday as we will be doing it at various points in the week.

#### Safeguarding

At The Vale Primary Academy, the welfare of all our pupils is of great importance to us and we hope that parents are confident about their children's health and safety whilst in our Academy. We will always try to share any concerns we have with parents. However, there are times when we are legally obliged to share our concerns with other agencies, without first speaking to parents, or without the consent of parents. The safety and protection of our pupils is our most important concern and we wish to welfare or safety reassure you that any sharing of information is done with the children's best interest at heart. If you have any concerns about the safety of any child in our school you should contact Mr Yeomans or Miss Taylor, they can be contacted through the school office. The Academy has a duty to inform parents that there is a prohibition on reporting or publishing details (including on social media) that could identify anyone who is subject to an allegation.
