

## Foundation Fund Friday 27<sup>th</sup> September 2013

Foundation Fund Friday is a group-wide fundraising day in aid of the SPT Foundation Fund, which is celebrating its 10<sup>th</sup> anniversary this year. The fund's purpose is to give the pupils and students of our academies opportunities that may not normally be open to them. As our academy group has grown, so has the number of applications made to the fund by our pupils and students.

Grants are made from the Foundation Fund under the headings of;

- the pursuit of excellence
- international relations
- business enterprise

In the past, grants have enabled pupils to attend national and international competitions and development workshops in Sport, Music and Dance. As well as helping to support international student exchanges across different countries in the world.

In order to maintain the Foundation Fund and provide valuable opportunities for our students, the fund has previously relied on the generosity of individuals and businesses for support. This year, as part of our renewed commitment to helping our growing number of pupils and students, we are holding Foundation Fund Friday across all academies within the SPTA group.

As part of this group-wide, fund-raising day, The Vale Primary Academy is looking to raise funds by holding a non-uniform day on Friday 27<sup>th</sup> September.

Thank you for your supporting this day and if you feel your child may be eligible for a grant, please email [sptff@schoolpartnershiptrust.org.uk](mailto:sptff@schoolpartnershiptrust.org.uk) for further information and an application form.

Yours sincerely

The Principals
